Katherine Schneider

Schneider puts all of her expressiveness in her art work. Interesting art is a dialogue between viewer and artist in which color is no more important than composition. She is self-taught with supplementary education from local institutions. In 2009 Schneider passed the EDGE program at the Bellingham Technical College. I have taken art courses with local artists in Bellingham, WA such as Trish Harding and Karin Friedlander from 2004 to 2007. I have taken art courses with local artists in Denver, CO from 2000 to 2004, such as Steve Tracy, Judith Lightfield and Tony Ortega. I have a Masters in International Studies from the Graduate School of International Studies, 1993, and a B.A. in Political Science from the University of Wisconsin, 1985.
