

LaVera Langeman

Lesson Plan	Creating a Wall Mural on Paper
Description	The classroom divides into groups of four students and each group designs and paints their own mural. After drawing their mural idea on 12" x 18" paper the drawing is divided into sections and students learn how to enlarge their work to 4 x 6 feet. Students work as a team to paint the final mural project.
Number of Sessions required	2
Length of each Session	2 hours
Total Project Length	4 hours
Grade Levels	2nd through 5th
Space and equipment requirements	Access to a hall or gym with large walls to hang and paint mural paper
Materials needed and cost	Poster or acrylic paint, heavy white paper, small paintbrushes Materials cost: Most schools have these supplies but if not, the artist will bring them for \$3 per student.
